# Focusing on the Environment and the Central Valley

**Alan C. Lloyd, Ph.D.**, Secretary of Cal/EPA, invites you to come and discuss your vision for the Central Valley in the 21st Century. Join Dr. Lloyd and other members of Governor Schwarzenegger's Cabinet at this Town Hall Meeting.

**This is an opportunity for you to share your ideas on issues such as:**

- Demographic projections for 21<sup>st</sup> Century – where we've been, where we are heading
- Population growth – Environmental and infrastructure challenges
- Ensuring a robust agricultural economy in the Central Valley in light of a rapidly expanding urban interface
- Maintaining regional environmental character and quality
- Economic stability and diversity
- Cultural diversity
- Environmental Justice
